# TOURTLES

Our base in playa Grande inside 'Las Baulas' national park offer opportunity, to meet the fantastic dinosaur turtles named Baulas (Leatherback), there are guided tour on the beach organized from national park, open from September till February, but often they don't have place for all guests. For period when our beach is closed or in case the park tours are full we organize guided tour to nearby beach (about 5miles) with our Monkey Rover; Playa da Minas is chosen from most common Liuto turtles as home to lay their eggs from September till June.

Tours start at sunset, around 6:00 pm till 9/10pm depending from turtles.

Price 80\$ for 2 people add 40\$ from 3rd

# APNEA
